The image features a large, hand-drawn thought bubble with a blue outline. Inside the bubble, the equation $E = m \cdot c^2$ is written in a bold, orange, sans-serif font. To the left of the main bubble, there are three smaller circles of increasing size, also drawn with blue outlines, which serve as a trail for the thought bubble.

$$E = m \cdot c^2$$

$$E = m \cdot C_P \cdot C_A$$
